product FIX
that CRACK!

ShurBond 500 has been used in; power plants, chemical plants, food processing plants, warehouses of all types, U.S. Post Office, commercial walkways, stairs, ramps and shipping docks for the past 10 years with outstanding success. Repairs cracks in concrete floors where heavy fork truck traffic is normal. Restores stairs, ramps and walks for all types of applications. Fast easy to apply and use. Cleans up with soap and water. Bonds old to new wet concrete. Apply as a neat resin and broadcast crystal silica to provide anti-skid. Chemically resistant to acids and bases. Stronger than concrete. WE INSTALL WHAT WE SELL!!!! FAST RELIABLE WORK. TO ORDER CALL 636-220-7249

OR VISIT WWW.WOHLCOATINGS.COM

If you have any of the following
Spalled Concrete
Big Cracks between Slabs
Rough Areas
Slip Hazards around Shipping Docks
